Mr. Singh contends that petitioner has not been named in the first information report.

True it is that the petitioner has not been named in the first information report but the material collected during the course of investigation shows his complicity in the crime. Further, on his confessional statement, a motorcycle has been recovered.

Having heard learned counsel for the party and taking into consideration

the nature of allegation and material available, I am not inclined to accede to the prayer of the petitioner.

Application stands dismissed.
